Connecting River Restoration Thinking to Innovative River Management
6th Edition | 27–29 October 2014 | Vienna
Integrated with the final event of the SEE River project

CHALLENGES AND VISION

1. Urban river restoration and city development.
 2. Land use / agriculture and river restoration.
 3. Hydropower; mitigation and compensation of impacts through river restoration.
 4. Restoring hydro-morphological processes and sediment continuity.
 5. Fish migration and river restoration.
 6. Cost effective solutions for river management; undertaking river restoration that delivers ecosystem services benefits.
-
1. Capacity-building for involved actors in integrated river corridor management.
 2. Building stakeholder dialogue for informed decision-making on river management.
 3. Establishing the links and cooperation between local, regional, national and international level stakeholders in order to ensure sustainable transboundary integrated management of river corridors.
 4. Developing and ensuring the bottom up and top down approaches and their combinations.

**CONFERENCE
THEMES**

**CROSS CUTTING
ISSUES**

RIVER RESTORATION

OVERARCHING GOAL

Green Infrastructure implementation
Natural Water Retention Measures
Contemporary River Corridor Management (SEE River)

**INNOVATIVE
INITIATIVES**

INTEGRATED RIVER BASIN MANAGEMENT

TARGET

...SUBMISSIONS...

CONFERENCE PROGRAMME

**9 keynote presenters
18 sessions
100 oral and poster
presentations**

- 1. How can we innovate Integrated River Basin Management using Green Infrastructure, Natural Water Retention Measures and Contemporary River Corridor Management?**
- 2. What are the measures, tools and techniques?**
- 3. What are the messages for capacity building (management, cross sectoral cooperation, stakeholder involvement, funds, skills).**
- 4. What is the relation to the Green Infrastructure, Natural Water Retention Measures and Contemporary River Corridor Management?**
- 5. What are the key gaps in knowledge and policies?**
- 6. What are the best practices and lessons learned yet?**

CONFERENCE DECLARATION
