

**SESSION 2 (II) – Basin Scale Restoration for fisheries rehabilitation: planning and monitoring**

Chairmen: P. Roni, G. Marmulla

Time	Code	Author (s)	Title
10:55			Introduction of session
1	<b>S2_8</b>	<b>S. Schmutz</b> , A. Melcher, A. Zitek, C. Trautwein, M. Poppe, S. Muhar, M. Jungwirth	Using pressure-response models to identify hydromorphological restoration needs from local to catchment scales in Austrian rivers
2	<b>S2_11</b>	<b>M. Poppe</b> , S. Muhar, S. Schmutz, A. Melcher, A. Zitek, C. Trautwein	The prioritisation of restoration measures in multiple-affected rivers. An Austrian approach.
3	<b>S2_1</b>	<b>G. Giannico</b> , J. Souder	Public Involvement in Setting Priorities for River Restoration Actions: a case study from Oregon, U.S.A.
4	<b>S2_3</b>	<b>H. O. Hansen</b> , J. S. Jensen	The Houting-project - Denmark's second largest nature restoration project
5	<b>S2_9</b>	<b>J. Parish</b> , A. Corr, D. Van Dusen	Basin scale assessment to restoration sites: a necessary link
6	<b>S2_6</b>	<b>M. Ovidio</b> , P. Orban, F. Lambot, J.C. Philippart	The restoration of the longitudinal connectivity in Southern Belgian rivers. Synthesis of a 10-years study and perspectives

**SESSION 2 (II) – Basin Scale Restoration for fisheries rehabilitation: planning and monitoring**

Chairmen: P. Roni, G. Marmulla

Time	Code	Author (s)	Title
10:55			Introduction of session
1	<b>S2_5</b>	<b>E. Pini Prato</b>	River rehabilitation for fish: fish passes management in the Arno river watershed
2	<b>S2_18</b>	R. N. B. Campbell, J. H. Hunt, ( <b>A.Maltby</b> )	Development of tools for planning and monitoring Salmonid juvenile stocks in relation to habitat quality in the River Tweed, UK
3	<b>S2_13</b>	<b>A. Maltby</b> , L. Dugdale	Planning and monitoring the restoration of the River Eden, Cumbria
4	<b>S2_17</b>	<b>L. M. Martinez Rivera</b> , Angel Aguirre G., José L. Olguin, J. Jesus Sandoval L., C. Ortiz	Integral Watershed Management for the Ayuquila River Restoration
5	<b>S1_6</b>	<b>M. F. O'Grady</b>	Salmonid Riverine Enhancement in Ireland - Our Experiences over 20 Years
6	<b>S2_4</b>	<b>P. Roni</b>	Basin scale monitoring of river restoration: guidelines and case studies from the Western United States
