

ERS 2016

European River Symposium

March 2-3 | Vienna

The Rivers in Europe, Best Practices in River Management Conference will target actions taken to build positive relationships between key organizations and sectors that influence rivers and water management.

European Riverprize Gala

The symposium includes the European Riverprize Gala which will be celebrated in the Vienna City Hall and will highlight and provide support to the successes that have been achieved in river management in Europe.

Target audience

River managers and planners from river basin authorities, government and non-government organisations, utility representatives, corporate sector representatives from hydropower, agriculture, water, and navigation and tourism, consultants, river restoration practitioners, research and University and young water professionals.

REGISTRATION

Registration is open via www.errconference.eu
