Is it so difficult when
you are young and just
startng your work life?

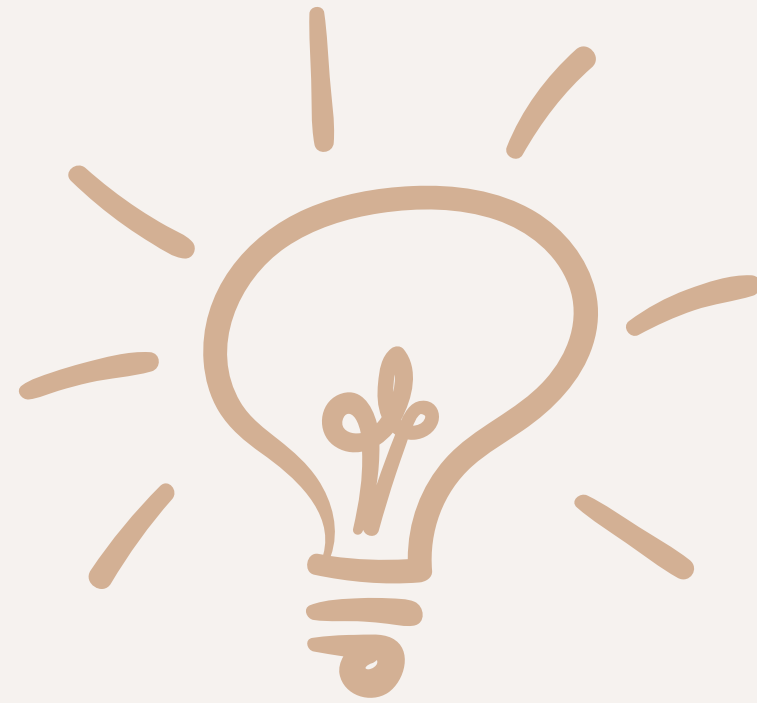

What can help?

One simple sentence....

If the only reason you want to say no to work or self development thing is fear...

If the only reason you want to say no to work or self development thing is fear...

say yes instead!

How to gain contacts?

Make some bussines cards and just say what you feel!

Your speach was fascinating. I was impressed!

Your work is so interesting! Can you tell more about...

Amazing presentation, I was quite impressed with...

Will you share any tips with me regarding...?

Can we stay in touch?
