ČILIŽSKÝ POTOK
CSILIZ PATAK

Čiližský potok je prítokom rieky Čižba. Jeho ústie sa nachádza v katastrálnom území obce Čižba. Potok je dlhý 1,2 km a jeho povrchová voda sa vlieva do rieky Čižba. V okolí potoka sa nachádza lesná pôda a pasienky. V minulosti sa v okolí potoka nachádzala veľa domov, ktoré boli neskôr zrušené. V súčasnosti sa v okolí potoka nachádzajú iba niektoré domy a pasienky. V minulosti sa v okolí potoka nachádzala veľa domov, ktoré boli neskôr zrušené. V súčasnosti sa v okolí potoka nachádzajú iba niektoré domy a pasienky.
